## Collection of shells

# SEMINARS & WEBINARS

## NATIONAL WEBINAR EMERGING TRENDS IN AQUACULTURE

**SKR GOVERNMENT DEGREE COLLEGE (W)**  
RAJAMAHENDRAVARAM, Estd.1968,  
Reaccredited at Grade B<sup>+</sup> by NAAC,  
Affiliated To Adikavi Nannaya University

**One Day National Webinar  
On  
EMERGING TRENDS IN  
AQUACULTURE**

**Organized by  
Department of Zoology**  
On 23<sup>rd</sup> March, 2023 (Thursday)  
from 10:00 am to 01:00 pm

**About the College**  
Smt.Kandukuri Rajyalakshmi Government Degree College (W) one of the biggest reputed leading centre of excellence in Higher Education was established on 2nd September 1968, in the name and memory of Smt. Kandukuri Veerasalingam Pantulu. The College is under the control of Government of Andhra Pradesh (G.O.MS.No28) from 10-8-2022 onwards.

The College was accredited by NAAC at grade B<sup>+</sup> in its second cycle and secured all India 70th rank and 9th rank in AP non-autonomous colleges ranking survey conducted by Educational World Organization

The college is committed for the upliftment and overall development of under privilege girls residing in and around Rajamahendravaram with a noble Vision and Mission of spreading the light of knowledge.

Currently the college offers a wide range of undergraduate and postgraduate program in various fields in its lush green campus.

**About the Department**  
The Department of Zoology consists of highly qualified teaching staff, well equipped Laboratories and a museum with a rich collection of specimens. The faculty members are active in research work and have National and International Publications. The department has organized many seminars, workshops, project works and training programs to popularise and promote Basic Sciences among the students and teachers.

**About the Webinar**  
Aquaculture is one of the most efficient and sustainable method for farming aquatic organisms. The exponential population growth and Rapid urbanization increased the demand for food, globally. Aquaculture plays a significant role to meet fish demand and economic well-being. In this connection, the webinar on Emerging Trends in Aquaculture will serve as an ideal platform for the students, researchers and faculty to explore new perspective in aquaculture.

**Resource Persons**

Prof. U.Shameem  
Dept. of Zoology,  
Andhra University,  
Visakhapatnam.

**Topic**  
PARASITIC AND MICROBIAL DISEASES IN  
AQUACULTURE SYSTEM

Mr.Rajdeep Mukherjee  
Policy Analyst, Bay of Bengal Programme,  
Inter-Governmental Organization,  
Chennai.

**Topic**  
SUSTAINABLE MANAGEMENT OF  
AQUATIC RESOURCES – ECONOMIC  
PERSPECTIVES
